

HUAWEI TalkBand B2

Getting started

⏻ Press and hold to power on the B2.

👉 Flick across the screen to switch between pages.

👉 Remove the headset.

Press simultaneously

🔋 Charge the headset.

👉 Remove the strap.

📄 The B2 is made using high quality eco-friendly materials. You can be assured of its quality. If your skin experiences any discomfort when wearing the B2, please stop wearing it and consult a doctor.

Pairing with your phone

📄 Scan the following 2D barcode or search for "Huawei wearable" in Google Play Store or Apple's App Store to download Huawei Wear.

📄 Connect the B2 to your phone through Bluetooth.

📄 After the B2 is powered on, the 📄 indicator on the B2 blinks and the B2 enters pairing mode automatically. You can also press and hold the side key and touch the Bluetooth icon to enter pairing mode.

For more information, go to the online help in the app.

Monitoring your fitness activities

Wear the B2 and start exercising. The B2 will then automatically record your fitness data.

Drag down to sync your fitness data.

Monitoring your sleep

Wear the B2 and go to sleep. The B2 will then automatically collect your sleep data.

You can set a smart alarm using the app.

Bluetooth calling

Take out the headset to answer an incoming call.

- If the headset is removed from the B2, press the side key to answer the incoming call.
- Press and hold the side key to reject the incoming call.

Adjust the angle of the headset for the best call quality.

If the default headset cover doesn't fit comfortably, replace it with one of the other packaged covers.

Press the side key to end a call.

Waterproof feature

Your B2 can be used in the rain and when washing your hands. But make sure you wipe it dry after it comes into contact with water.

Do not use the B2 when washing your car, swimming, diving, or showering.
